

God's Word is powerful and transforms lives. It works when we don't change it, hype it up, or play it down – just believe it and act upon it. Our mission as a church is to revive Bible Christianity and see the power of God working miracles today.

The powerful personal stories in this pamphlet are living proof of how the Holy Spirit has helped people know God and changed their lives for the better.

We invite you to visit one of our fellowships near you and see for yourself. Our locations and website are listed on this pamphlet. There's some key Bible references you can read for yourself.

During my early years I experienced many unexplained health issues such as; inflammation, chronic headaches and seeping sores. I even developed a lung condition that brought me close to death. After I was baptized and filled with the Holy Spirit, I began to be healed. I was even able to finish my degree and get a job. In 2015, after many dangerous situations, my wife and I moved to Australia from Burundi. We are so thankful for the guidance and protection of the Holy Spirit — ELOI.

I was a compulsive gambler. I would pray for help but then turn back to my addiction. Eventually my wife found out and her family came and prayed with me. I felt the Lord speak to me that I would never gamble again. I was then baptized and filled with the Holy Spirit. I knew I was forgiven and had a new life. Now I have no urge to gamble, my marriage is being restored and I can look after my family — PETER.

FIVE
TRUE
STORIES

KNOW
GOD
TODAY

KNOW
GOD
TODAY

By the time I was 15 I was drinking and partying every weekend. I had a child and was in an abusive relationship so asked God to get me out of it - and He did. But I still felt lost and started taking drugs. Then I met someone who talked about God as a friend. I went with him to a revival meeting and got baptised. I received the Holy Spirit, speaking in tongues. My life has totally changed and I'm so thankful — TREZ.

GOD
HEALED
ME

A work injury when I was young resulted in extreme headaches. They were so bad I couldn't work and I lost my family and home. One day I woke up in hospital after a suicide attempt and cried out for God to heal me. The very next day the pain left me. I now have a good job, a new car and the love of my kids. God was always with me, even in my darkest moments, and faith lifted me up — LEIGH.

GOD
GIVEN
PEACE

In 2012 my husband heard the gospel. We were both baptised and filled with the Holy Spirit, speaking in tongues. Just two months later Philip passed away from a long-term illness. While I was comforted knowing his soul was saved, I was tempted to return to my old life without God. But as I came to really appreciate the immensity of God's love and his transforming power, my mind was gradually changed. I am now totally surrendered to His plan and purpose — ROS.
